AMEC Environment and Infrastructure Interviews

AMEC E&I will be conducting job interviews on Thursday afternoon, September 13th and Friday morning September 14th. Please see sign-up sheet below.

Mr. Andrew Valente, (UMD Class of 1990), and Mr. Brandon Heim, (UMD Class of 2012) will be on campus Thursday and Friday to conduct interviews of graduating seniors. Interview preference will be given to December graduates; however May graduates are also encouraged to interview. Job openings are available in our Atlanta, Georgia office.

Responsibilities include:

- Assessment of existing fire and life safety systems.
- Preparation of fire and life safety drawings and specifications.
- Commissioning and construction oversight of fire sprinkler, smoke control, fire alarm, notification and detection systems.
- Up to 25% or travel is expected.
- Ability to pass Department of Defense security clearance is required.

AMEC is a focused supplier of consultancy, engineering and project management services to the world's facilities, environment and infrastructure markets. Our growing fire protection engineering service line offers opportunities for varied and interesting work, travel and learning.

AMEC is an equal opportunity employer that offers competitive salaries and benefits for our team members. Please visit us at www.amec.com to learn more about.

If you have any questions Mr. Valente can be contacted at Andrew.valente@amec.com.
