For Alumni and Friends of the
Department of Fire Protection Engineering

The Department of Fire Protection Engineering is pleased to announce that the 50th Anniversary History Book of the Department of Fire Protection Engineering is now available.

The book is a wonderful addition to your library, and is a “must have” for all graduates and friends of the Department of Fire Protection Engineering. It is a hardback book, in color, with glossy pages, and over 200 pages in length.

The 50th Anniversary History Book is filled with many color pictures of the celebration of our 50th anniversary in October of 2006. It contains color group and individual photos of alumni and friends who attended the many events of that memorable and historic weekend celebration.

The book also has many rare historical photographs that did not appear in the 40th Anniversary History Book, and is a valuable companion to that important publication. It lists the name of every person who has graduated from the Department of Fire Protection Engineering in its 50 year history, and includes photos of many of them. Photos are included from several FPE alumni reunions during the last ten years, and some rare photos that will test your memory. Photos of all FPE classes held in spring 2007 are included.

Editing, formatting, and printing of the book were donated by Robert M. Gagnon, PE, a loyal alumnus of the Department of Fire Protection Engineering, with the intent that all proceeds of the book go to the Department’s general fund for completion of the renovation of their new facilities in Patterson Hall, and for other purposes designated by the Department.

A copy of the book is yours free with a minimum donation of $50. We hope all graduates and friends of the Department will assist us in this effort.

Please make checks payable to the University of Maryland College Park Foundation, Inc., or UMCPF, Inc., and send the check/order form to the following address:

Business Office
Department of Fire Protection Engineering
University of Maryland
3106 J. M. Patterson Building
College Park, MD 20742

With your contribution the Department of Fire Protection Engineering, you will receive the FPE 50th Anniversary Book.

Gifts in support of the University of Maryland and its departments are accepted and managed by the University of Maryland College Park Foundation, Inc., an affiliated 501(c)(3) organization authorized by the Board of Regents. Contributions to the University of Maryland are tax deductible as allowed by law. Please see your tax advisor for details.
